Explanation of Responses:

- (1) This Amendment is being filed to correctly reflect a purchase of 30,800 shares of Spark Energy, Inc.'s Class A common stock instead of 30,440 shares of Class A common stock, as reported on the original Form 4. The number of shares of Class A common stock reported as holdings has been updated from 774,399 shares of Class A common stock to 783,673 shares of Class A common stock to reflect the correct transaction amount, as well as other unreported transactions that are being reported on or about the date hereof and an amount representing increased shares as a result of underreporting existing as of the split of the Class A common stock on June 16, 2017. The purchase of Class A common stock reported herein by the reporting person may be matchable under Section 16(b) of the Securities and Exchange Act of 1934, as amended. The reporting person has agreed to disgorge any short swing profits associated with such matching transactions.
- (2) The price reported in column 4 is a weighted-average price. These shares were purchased in multiple transactions at prices ranging from \$15.40 to \$15.64, inclusive. The reporting person undertakes to provide to Spark Energy, Inc., any security holder of Spark Energy, Inc., or the staff of the Securities and Exchange Commission, upon request, full information regarding the number of shares purchased at each separate price within the ranges set forth in this footnote.
