

## COMPANY PROFILE

Via Renewables, Inc., formerly Spark Energy, Inc., is an established and growing independent retail energy services company founded in 1999 that provides residential and commercial customers in competitive markets across the United States with an alternative choice for their natural gas and electricity. Headquartered in Houston, Texas, Via currently operates in 101 utility service territories across 19 states and the District of Columbia. Via offers its customers a variety of product and service choices, including stable and predictable energy costs and green product alternatives.
